The Feast of the Transfiguration of the Lord
August 06, 2017

I think, most of us experienced and enjoyed hiking. Any hike can be exhilarating because of the scenery that we see, the conversation that we share, and sometimes for some revelations of something unexpected like a proposal of a man to his girlfriend. Also, a hike benefits our health because it burns a lot of calories. I have experienced all these good things when I went hiking at Saddleback Mountain together with a priest-monk and some of the seminarians of Mount Angel Seminary.

We left the seminary early in the morning to reach the top of the Saddleback Mountain before the middle of the day. When we reached the top of the mountain we rested for a while and enjoyed the breathtaking view around us. While we were resting, I saw the big table rock on top of the mountain and my companions prepared an altar and then we had a very inspiring Eucharistic Celebration. The priest shared a very inspiring and moving homily that encouraged us to be good Christians and to be faithful to God. Looking back on the experience, I can say I had a foretaste of an encounter with God up on the mountain. When I recall that day, I always see the imagery of the Lord and the three apostles on top of the mountain of Transfiguration.

Today we celebrate the Feast of the Transfiguration of the Lord. This event is one of the most unique miracles in the Gospels because the miracle happened to Jesus himself. According to Dorothy Lee in her book, "In Christian teachings, the Transfiguration is a pivotal moment, and the setting on the mountain is presented as the point where human nature meets God: the meeting place of the temporal and the eternal, with Jesus himself as the connecting point, acting as the bridge between heaven and earth."

Each of us is given by the Lord moments of encounters and opportunities of meeting Him even in the most ordinary events in our life. For sure, such moments and opportunities can be considered as moments of God’s revelation of Himself to one who is ready and willing to know God more and to be touched by Him. The experience of the three apostles at the Transfiguration of Jesus was amazing experience which we ordinarily do not have a chance to have. The experience of God should lead us not only to be inspired but to be more open to what God wants to reveal.

My dear friends, let us open our hearts and minds to God, allow him to enter in our lives. In contemplating the Feast of the Transfiguration today, let us ask ourselves, do we give an open heart to God’s revelation? Are we sensitive enough to hear what he says in those moments of encounter with him and eventually to put into action what he desires? Do we persevere in conversion and do we amend our lives? Do we confess our sins and receive the Body and Blood of Christ less unworthy?

La Fiesta de la Transfiguración del Señor
El 06 de Agosto del 2017

Creo que la mayoría de nosotros experimentamos y disfrutamos la caminata escalando una montaña. Cualquier caminata puede ser emocionante por el paisaje que vemos, la conversación que compartimos, y a veces para algunas revelaciones de algo inesperado como una propuesta de un hombre a su novia. Además, una caminata beneficia nuestra salud porque se quema una gran cantidad de calorías. He experimentado todas estas cosas buenas cuando hice una caminata escalando la Montaña Saddleback junto con un sacerdote y algunos de los seminaristas del Seminario de Monte Ángel.

Dejamos el seminario temprano en la mañana para llegar a la cima de la Montaña Saddleback antes del medio día. Cuando llegamos a la cima de la montaña descansamos un rato y disfrutamos de la impresionante vista que nos rodea. Mientras estábamos descansando, vi una gran roca en forma de mesa en la cima de la montaña y mis compañeros prepararon un altar y luego tuvimos una Celebración Eucarística muy inspiradora.
El sacerdote compartió una homilía muy inspiradora y conmovedora que nos animó a ser buenos cristianos y a ser fieles a Dios. Recordando ese día, puedo decir que tuve un anticipo de un encuentro especial con Dios en la montaña. Cuando recuerdo ese día, me imagino la imagen del Señor y de los tres apóstoles encima de la montaña de la Transfiguración.

Hoy celebramos la Fiesta de la Transfiguración del Señor. Este evento es uno de los milagros más singulares en los Evangelios porque el milagro le sucedió al mismo Jesús. Según Dorothy Lee en su libro en la cual ella dice que:  

"En las enseñanzas Cristianas, la Transfiguración es un momento crucial, y el escenario de la montaña se presenta como el punto donde la naturaleza humana se encuentra con Dios: el lugar de encuentro de lo temporal y lo eterno, con Jesús mismo como punto de conexión, Puente entre el cielo y la tierra ".

Cada uno de nosotros es dado por el Señor momentos de encuentros y oportunidades de conocerlo incluso en los eventos más comunes de nuestra vida. Ciertamente, esos momentos y oportunidades pueden ser considerados como momentos de la revelación de Dios a una persona que está listo y dispuesto a conocer mas a Dios y a ser tocado por Él. La experiencia de los tres apóstoles en la Transfiguración de Jesús fue una experiencia asombrosa que ordinariamente no tenemos la oportunidad de tener o ver. La experiencia de Dios debe conducirnos no sólo a ser inspirados, sino a ser más abiertos a lo que Dios nos quiere revelar.

Mis queridos amigos, abramos nuestros corazones y mentes a Dios, permitámosle entrar en nuestras vidas. Al contemplar hoy la Fiesta de la Transfiguración, pregúntémonos, ¿Abrimos un corazón abierto a la revelación de Dios? ¿Somos lo suficientemente sensibles para oír lo que él nos dice en esos momentos de encuentro con él y eventualmente poner en acción lo que él desea? ¿Perseveramos en la conversión y enmendamos nuestras vidas? ¿Confesamos nuestros pecados y recibimos el Cuerpo y la Sangre de Cristo menos indignos?

Eucharistic Adoration of the Blessed Sacrament

**Feast of the Transfiguration - Aug 6**

"Peter, James and John witnessed the Transfiguration of Christ on Mount Tabor. The whole world will witness the glorious transfiguration of Christ in the Blessed Sacrament. It will have the exact opposite effect of the bombing of Nagasaki. At the transfiguration of Christ in the Blessed Sacrament, there will be an explosion of divine energy which will release the power of His love and renew the face of the earth. Then the world will see Real Power! All will be made well. All will belong to His Heart. All will be made one. In the meantime, there are five graces we receive each time we visit Jesus in the Blessed Sacrament. By His glorious wounds we are the ones who are transfigured and changed through His healing love. Restoration, pontification, transformation, reparation and salvation are the graces being poured out graciously upon us with each holy hour we make. Like Peter….this is why we should exclaim in His Divine Presence, ‘Lord how good it is for us to be here!’” *(from the book 'Letters to A Brother Priest')*

Please join us for Eucharistic Adoration of the Blessed Sacrament. Adoration is available in the chapel 24 hours every day. For adoration outside of the 24-hour regular **Thursday** schedule, call the office for instructions and to enlist. Everyone is welcome. Spend as much or as little time as you can. Thank you for offering our Lord this special hour. Expect God's blessing, and give Him thanks.

August Grief Support Groups Canceled

As you all know, we are right in the path for next month’s solar eclipse. The Samaritan system has been working with emergency management services in the valley to develop plans to deal with the people, traffic, congestion, potential for gridlock, and possible injuries during the time.

Evergreen Hospice has been working with Albany General Hospital staff to develop our own emergency plans. These include eliminating all avoidable travel for ourselves and our patients and families between Aug 18 and Aug. 22. Accordingly, I have been asked to cancel the Grief Support Group in Albany on Monday evening, Aug. 21 and the Grief Support Group in Lebanon on Tuesday afternoon Aug. 22. THOSE GROUPS WILL NOT MEET.

I hope you will be able to attend the Support Groups earlier in the month. The Albany group will meet on Sunday Aug. 6 from 1:30 - 3:00 pm. The Lebanon group will meet on Aug. 8 from 4:30 - 6:00 pm.

If you have questions, please feel free to call or email me.

I hope you will each be able to enjoy this amazing event - and not have to deal with any negative consequences of so many people arriving in the valley.

Sincerely,
Virginia
